

Bureau of Land Management, Interior

§ 4120.3-2

(c) The authorized officer shall provide opportunity for public participation in the planning and environmental analysis of proposed plans affecting the administration of grazing and shall give public notice concerning the availability of environmental documents prepared as a part of the development of such plans, prior to implementing the plans. The decision document following the environmental analysis will be issued in accordance with § 4160.1.

(d) A requirement to conform with completed allotment management plans or other applicable activity plans intended to serve as the functional equivalent of allotment management plans shall be incorporated into the terms and conditions of the grazing permit or lease for the allotment.

(e) Allotment management plans or other applicable activity plans intended to serve as the functional equivalent of allotment management plans may be revised or terminated by the authorized officer after consultation, cooperation, and coordination with the affected permittees or lessees, landowners involved, the resource advisory council, any State having lands or responsible for managing resources within the area to be covered by the plan, and the interested public.

§ 4120.3 Range improvements.

§ 4120.3-1 Conditions for range improvements.

(a) Range improvements shall be installed, used, maintained, and/or modified on the public lands, or removed from these lands, in a manner consistent with multiple-use management.

(b) Prior to installing, using, maintaining, and/or modifying range improvements on the public lands, permittees or lessees shall have entered into a cooperative range improvement agreement with the Bureau of Land Management or must have an approved range improvement permit.

(c) The authorized officer may require a permittee or lessee to maintain and/or modify range improvements on the public lands under § 4130.3-2 of this title.

(d) The authorized officer may require a permittee or lessee to install range improvements on the public lands in an allotment with two or more permittees or lessees and/or to meet the terms and conditions of agreement.

(e) A range improvement permit or cooperative range improvement agreement does not convey to the permittee or cooperator any right, title, or interest in any lands or resources held by the United States.

(f) The authorized officer will review proposed range improvement projects as required by the National Environmental Policy Act of 1969 (42 U.S.C. 4321 *et seq.*). The decision document following the environmental analysis shall be issued in accordance with § 4160.1.

[49 FR 6452, Feb. 21, 1984, as amended at 60 FR 9964, Feb. 22, 1995; 61 FR 4227, Feb. 5, 1996; 71 FR 39505, July 12, 2006]

§ 4120.3-2 Cooperative range improvement agreements.

(a) The Bureau of Land Management may enter into a cooperative range improvement agreement with a person, organization, or other government entity for the installation, use, maintenance, and/or modification of permanent range improvements or rangeland developments to achieve management or resource condition objectives. The cooperative range improvement agreement shall specify how the costs or labor, or both, shall be divided between the United States and cooperator(s).

(b) Subject to valid existing rights, cooperators and the United States will share title to permanent structural range improvements such as fences, wells, and pipelines where authorization is granted after August 11, 2006 in proportion to their contribution to on-the-ground project development and construction costs. The authorization for all new permanent water developments, such as spring developments, wells, reservoirs, stock tanks, and pipelines, shall be through cooperative range improvement agreements. The authorized officer will document a permittee's or lessee's interest in contributed funds, labor, and materials to ensure proper credit for the purposes of §§ 4120.3-5 and 4120.3-6(c).
